

A note for Annmarie Del Franco

Prepared for Annmarie Del Franco, Blackstone Properties of CT, Ridgefield · September 16, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT ANNMARIE DEL FRANCO

You are already doing real things well:

- More than 20 years in Ridgefield and the surrounding towns, serving seventeen communities from Darien and Greenwich to Newtown and Wilton.
- Real credentials behind it: GRI, Accredited Buyer Representative, GREEN certification, and relocation specialist certified by Sirva and Brookfield Relocation.

Where we see the fastest room to grow:

- There is no email signup on your page, so the relocating families your certification is built for have no way to stay in touch while they research.
- The footer reads 2025, a small sign the site is not being actively kept up.

WHAT WE WOULD DO FIRST

Build a short guide for families relocating into Fairfield County, drawing on the relocation certification you already hold, with a signup behind it. It is the audience those credentials were made for.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
