

A note for Jenna and Kamran Mostofi

Prepared for Jenna and Kamran Mostofi Group, Bellevue · September 16, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT JENNA AND KAMRAN MOSTOFI

You are already doing real things well:

- 750 million dollars in career sales volume, top 1% of residential agents in the country, and voted Best Realtor in 2021, 2023, 2024 and 2025.
- A genuinely unusual reach: serving both Greater Seattle and Greater Scottsdale, with licences in Washington, California and Arizona.

Where we see the fastest room to grow:

- There is no blog or market content on jennakamran.com. For a team working two very different markets, that is a missed chance to explain each one to the buyers moving between them.
- The only form is a contact form. There is no way for someone watching the Bellevue or Scottsdale market to subscribe and hear from you until they are ready.

WHAT WE WOULD DO FIRST

Start a simple two-market note, Seattle Eastside and Scottsdale side by side, with a signup behind it. Relocating buyers between those two markets are exactly the people who read before they call.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
