

A note for Mike Parelli

Prepared for Mike Parelli, Mike Parelli Real Estate, Greenwich · September 16, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT MIKE PARELLI

You are already doing real things well:

- Selling Greenwich properties for record-breaking prices, with a sharp eye for fixer-upper investment, licensed in both Connecticut and New York.
- You already have a subscribe box on the site, so people can join your list.

Where we see the fastest room to grow:

- There is no blog or market content on the site, so the people who subscribe have nothing of yours to receive and nothing brings new visitors in.
- The footer still reads 2021, which tells a Greenwich buyer the site has not been updated in five years.

WHAT WE WOULD DO FIRST

Give your subscribers a reason to open: a short monthly Greenwich note on record sales and fixer-upper opportunities. Then bring the site current so it matches the results.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
