

A note for Peter Giner

Prepared for Peter Giner, Giner Realty, Katonah · September 16, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT PETER GINER

You are already doing real things well:

- A privately owned brokerage covering Westchester, Putnam and Fairfield Counties, with a real team behind it and a promise of individual attention.
- Your blog was genuinely local: northern Westchester hikes, farmers markets, Earth Day, a spring break staycation guide. That is content neighbours actually read.

Where we see the fastest room to grow:

- The newest post is 19 May 2021. More than five years of silence from a brokerage large enough to have plenty to say.
- You collect emails on the site, but without fresh content those contacts have nothing of yours to receive.

WHAT WE WOULD DO FIRST

Pick the local writing back up across your three counties and send it to the list you already collect. With a whole team of agents in the market, one short piece a week is very achievable.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
