

A note for Rob Ticktin

Prepared for Rob Ticktin, Hawthorn Properties, Needham · September 16, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT ROB TICKTIN

You are already doing real things well:

- A full-service boutique with affiliates in Hawthorn Builders and Hawthorn Management, which means you can speak to a house from the build, the management and the sale. Very few firms in Needham can.
- You already offer a sign-up for updates, so the instinct to stay in touch with people is there.

Where we see the fastest room to grow:

- The three newest blog posts are all dated 10 October 2024 and read as general first-time buyer and seller tips. Nothing since, and nothing that draws on the building and management side that makes Hawthorn different.
- So the people who do sign up for updates have very little of yours to receive.

WHAT WE WOULD DO FIRST

Replace the generic posts with content only Hawthorn can write: what builders see in older Needham homes, what management teaches you about rentals. Send it to the list you already collect.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
