

# A note for Scott and Kim Bobson

Prepared for The Bobson Team, Sammamish Realty, Sammamish · September 16, 2026

## WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

## WHAT WE NOTICED ABOUT SCOTT AND KIM BOBSON

You are already doing real things well:

- More than 25 years of local experience, 629 million dollars in local sales and 1,216 closed homes. Very few teams anywhere can put numbers like that on their homepage.
- You own a clear identity as the Sammamish Specialists, and you are longtime residents of the town you sell.

Where we see the fastest room to grow:

- There is no blog or market content on sammamishrealty.com, so none of that knowledge of Sammamish neighbourhoods is anywhere a relocating buyer could find it before they choose an agent.
- The forms on the site are contact forms, not a way to stay in touch. A family moving for a job on the Eastside usually starts watching months ahead, and nothing keeps them close to you in that time.

## WHAT WE WOULD DO FIRST

Turn 25 years of Sammamish knowledge into a short monthly market note and a handful of neighbourhood pages, with a simple signup underneath. You already own the name. This makes it findable.

## THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at [balaynibruno.co/real-estate-agent-marketing.html](https://balaynibruno.co/real-estate-agent-marketing.html).
