

A note for Team Cosentino

Prepared for Diane and Stefanie Cosentino, Cosentino Realty Group, Long Island · September 16, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT TEAM COSENTINO

You are already doing real things well:

- Three families, two generations, one team, with Diane and Stefanie Cosentino as licensed broker owners and agents covering Nassau, Suffolk and Queens.
- You say it plainly on the homepage: you lead the Long Island industry in digital, web and social media marketing, with an in-house marketing team behind every listing.

Where we see the fastest room to grow:

- The blog does not match that promise. The newest post is dated January 24, 2023, and the recent posts are general pieces signed by admin rather than by any of you.
- There is no email signup on the site, so buyers and sellers who find you between listings have no way to keep hearing from the team.

WHAT WE WOULD DO FIRST

Give the blog back to the family: a short monthly note from Diane or Stefanie on what is actually selling across Nassau and Suffolk, sent to a simple signup list. Your marketing team already makes the listing content. This keeps the pipeline warm between listings.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
