

A note for Michele Flood Homes

Prepared for Michèle Flood · September 18, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. Today that same team runs lead generation, CRM and email for a Texas notary signing company through GoHighLevel.

WHAT WE NOTICED ABOUT MICHELE FLOOD HOMES

You are already doing real things well:

- Top 1% nationwide and over a billion in sales, stated on your homepage.
- You are actively listing right now, with an open house at 19 Avon Circle on your homepage.

Where we see the fastest room to grow:

- Your press page is titled New York City Real Estate, although your market is Rye and Westchester, so the page reads as belonging to someone else.
- The newest item on that press page is dated 23 May 2020, and there is no newsletter anywhere on the site, so a billion in sales has no current voice.

WHAT WE WOULD DO FIRST

Retitle the press page for Rye and Westchester and bring it up to date, then add one simple newsletter signup, so the record you have built keeps working between listings.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
