

A note for Bergen Peak Realty

Prepared for Valli Crockett, Bergen Peak Realty, Evergreen · September 16, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT BERGEN PEAK REALTY

You are already doing real things well:

- Owner and principal broker of Bergen Peak Realty, and Past President of the Mountain Metro Association of Realtors.
- Rooted in Evergreen: Evergreen and Conifer Chambers of Commerce, a 2022 Mountain Area Women in Business Hall of Fame nominee, and a sponsor of the Holiday Walk and Dam Ducky Derby.

Where we see the fastest room to grow:

- Every blog post carries the same date, October 29, 2023, on general topics rather than Evergreen, under the line Sorry, nothing to show here.
- The homepage tab reads Valli Crockett - Getaway, likely the template name, and the only sign up is a listings login, not a way to hear from you.

WHAT WE WOULD DO FIRST

Replace the imported posts with a short monthly note on the mountain area market and the Evergreen events you already sponsor, and fix the tab title. That community presence is the story no template can tell.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
