

A note for Kathleen Spadaro

Prepared for Kathleen Spadaro, Spadaro Real Estate, Mamaroneck · September 15, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT KATHLEEN SPADARO

You are already doing real things well:

- A three-generation family firm rooted in Mamaroneck since 1968. "As local as local gets" is not a slogan for you, it is simply true.
- Your testimonials read like neighbours talking about Kathy, which is the kind of trust no advertising can buy.

Where we see the fastest room to grow:

- The blog has four posts and all of them are dated 27 January 2023. Nothing since, while buyers keep searching Larchmont, Rye and New Rochelle for answers.
- There is no email signup on the site, so people who find you and are not ready to move yet leave with no way to hear from you again.

WHAT WE WOULD DO FIRST

Pick the blog back up with a short monthly Sound Shore market note, and put a simple signup behind it. Nearly sixty years of local knowledge is the one thing no newcomer brokerage can copy.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
