

A note for Linda Lugo

Prepared for Linda Lugo, Realty Masters North Shore, Huntington · September 15, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT LINDA LUGO

You are already doing real things well:

- Licensed since 1987, and a former President of both the New York State Association of Realtors and the Long Island Board of Realtors. Very few agents on the island have that standing.
- Genuine range across residential, short sales and bank-owned properties throughout Long Island.

Where we see the fastest room to grow:

- The Realty Masters site has no blog in its navigation and no market content, so the expertise that took you to lead the state association is not visible to a single buyer searching online.
- There is no newsletter or email signup on the team page, so every visitor who is not ready to call today leaves with no way to hear from you again.

WHAT WE WOULD DO FIRST

Turn your perspective into a short monthly Long Island market note under your own name, with a signup behind it. Nobody else in the market can write it with your background, and it keeps you in front of buyers and sellers until they are ready.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
