

A note for Brianna Morant

Prepared for Founder, Oak Street Real Estate Group · September 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. We know the Nashville market is competitive, and that is exactly where we want to help.

WHAT WE NOTICED ABOUT BRIANNA MORANT

You are already doing real things well:

- The number one team at Benchmark Realty since 2013, around 88 million in volume across 120 sides, built on twenty years in the business.
- You are present where it counts: a blog on your own site plus Facebook, Instagram, LinkedIn, Twitter and Pinterest.

Where we see the fastest room to grow:

- There is no video content anywhere, and no email newsletter signup, so the blog and five platforms bring people in and then let them leave without joining a list you own.

WHAT WE WOULD DO FIRST

Email capture first, feeding a simple newsletter off the blog you already write. Video second. The audience is already arriving, it is the keeping that is missing.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
