

A note for Al Mesrahi

Prepared for Agent · September 01, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. We know the Katy market is competitive, and that is exactly where we want to help.

WHAT WE NOTICED ABOUT AL MESRAHI

You are already doing real things well:

- 22-plus years of experience as a relocation specialist covering Katy, Sugar Land and the wider Houston area.

Where we see the fastest room to grow:

- The website is fairly basic and social media presence looks thin outside LinkedIn.

WHAT WE WOULD DO FIRST

A refreshed website and content presence that finally matches 22 years of relocation expertise.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
