

A note for Chandni Manoharan

Prepared for Agent · September 01, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. We know the Fort Worth market is competitive, and that is exactly where we want to help.

WHAT WE NOTICED ABOUT CHANDNI MANOHARAN

You are already doing real things well:

- You have a strong customer service reputation and show up with real reviews on Zillow, Redfin and HAR.

Where we see the fastest room to grow:

- There is no personal website or blog, and social media presence looks limited.

WHAT WE WOULD DO FIRST

A simple personal website and a light social presence that finally gives those strong reviews a real home online.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
