

A note for Kelly Stewart

Prepared for Agent · September 01, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. We know the Sugar Land market is competitive, and that is exactly where we want to help.

WHAT WE NOTICED ABOUT KELLY STEWART

You are already doing real things well:

- 30-plus years as a Sugar Land resident and a top producer at Compass working the 80K to 8M range.

Where we see the fastest room to grow:

- You run as a team without a personal Instagram, so individual visibility is limited outside the team brand.

WHAT WE WOULD DO FIRST

A personal content presence that puts 30 years of Sugar Land history behind your own name, not just the team's.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
