

A note for Sara Drehabl

Prepared for Agent · September 01, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. We know the Fort Worth market is competitive, and that is exactly where we want to help.

WHAT WE NOTICED ABOUT SARA DREHOBL

You are already doing real things well:

- You work with LEAGUE Real Estate, a brokerage built around meaningful service instead of corporate franchising, and stay active in community engagement and creative marketing.

Where we see the fastest room to grow:

- There is no personal website separate from the brokerage page, and no video content showed up in our search.

WHAT WE WOULD DO FIRST

A personal page and a simple video presence separate from the brokerage site, so you get found on your own, not just under LEAGUE.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
