

A note for Tammie Bell

Prepared for Broker/Owner · September 01, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. We know the Pearland market is competitive, and that is exactly where we want to help.

WHAT WE NOTICED ABOUT TAMMIE BELL

You are already doing real things well:

- Nearly 30 years in real estate and an active Instagram presence under your own brokerage.

Where we see the fastest room to grow:

- TBT Real Estate runs as a brokerage with a team, so outreach and leads may land with the team rather than with you personally.

WHAT WE WOULD DO FIRST

A personal follow up and email system that keeps your name attached to every lead as the brokerage grows.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
