

A note for Beth Sager Group

Prepared for Beth Sager · September 18, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. Today that same team runs lead generation, CRM and email for a Texas notary signing company through GoHighLevel.

WHAT WE NOTICED ABOUT BETH SAGER GROUP

You are already doing real things well:

- The number one team in Lexington for the past four years, with 74 Google, 93 Zillow and 93 FastExpert reviews.
- You have published a client newsletter before, so the format already exists and does not need inventing.

Where we see the fastest room to grow:

- The newsletter tile on your homepage still shows January 2025 as the latest issue.
- With roughly 260 published reviews, there is no newsletter or listing-alert signup on the site, only lead forms.

WHAT WE WOULD DO FIRST

Restart the newsletter on a cadence you can actually keep, and put a signup on the site, so the review volume you have built turns into a list you own rather than one the portals own.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
