

A note for Bob Wiltse Real Estate

Prepared for Bob Wiltse · September 18, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. Today that same team runs lead generation, CRM and email for a Texas notary signing company through GoHighLevel.

WHAT WE NOTICED ABOUT BOB WILTSE REAL ESTATE

You are already doing real things well:

- A genuinely active local blog, including Concord year over year market updates dated April and May 2026.
- Licensed in Massachusetts since 2015 and publishing on a monthly rhythm, which is rarer than it should be.

Where we see the fastest room to grow:

- Your navigation has a page titled Email Alerts, and there is no signup form on it.
- There is no capture form on the blog or the contact page either, so the market work you do every month builds no list.

WHAT WE WOULD DO FIRST

Put a working signup on the Email Alerts page and wire it to the market updates you already write, so the content you publish every month starts compounding instead of resetting.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
