

A note for Jerry Sun Real Estate

Prepared for Jerry Sun · September 18, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. Today that same team runs lead generation, CRM and email for a Texas notary signing company through GoHighLevel.

WHAT WE NOTICED ABOUT JERRY SUN REAL ESTATE

You are already doing real things well:

- 21 years as a broker associate, with RE/MAX Hall of Fame and Diamond Club listed on your About page.
- Offices covering both Pasadena and San Marino, including 2375 Huntington Drive.

Where we see the fastest room to grow:

- Your homepage prints `jerry-sun@cal-realestate.com` and your About page prints `jerry.sun@cal-realestate.com`, so one of the two is quietly sending people nowhere.
- The awards and credentials block stops at 2023, with nothing added for 2024, 2025 or 2026.

WHAT WE WOULD DO FIRST

Make both pages agree on one contact address, then bring the credentials block up to date. Both are small jobs, and right now the site undersells the record behind it.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
