

A note for Jessica Livingston, Mercer Island

Prepared for Jessica Livingston · September 18, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. Today that same team runs lead generation, CRM and email for a Texas notary signing company through GoHighLevel.

WHAT WE NOTICED ABOUT JESSICA LIVINGSTON, MERCER ISLAND

You are already doing real things well:

- Over 20 years across Mercer Island, Seattle and the Eastside.
- You built a Mercer Island specific site, which most agents in the area never bother to do.

Where we see the fastest room to grow:

- Your contact page has no form on it at all, just a phone number and an email link, so a visitor who is not ready to call has no way to raise their hand.
- The About page title spells your surname Livingson.

WHAT WE WOULD DO FIRST

Put a short capture form on the contact page and fix the page title, then send one Mercer Island market note to whoever signs up.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
