

A note for Kristin Egmont Real Estate

Prepared for Kristin Egmont · September 18, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. Today that same team runs lead generation, CRM and email for a Texas notary signing company through GoHighLevel.

WHAT WE NOTICED ABOUT KRISTIN EGMONT REAL ESTATE

You are already doing real things well:

- More than 20 years in the business, serving Westport and the surrounding Fairfield County towns.
- An active blog, with posts through late August 2026.

Where we see the fastest room to grow:

- The contact email published on your homepage, your contact page and your blog is kristin@floralwhite-guanaco-812804.hostingersite.com, a leftover temporary hosting address sitting right next to your real one.
- There are no forms anywhere on the homepage, so a reader who likes a post has no way to stay in touch.

WHAT WE WOULD DO FIRST

Replace the leftover hosting address everywhere it appears, then add one capture form to the homepage, so the writing you already do has somewhere to send people.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
