

A note for Max Rombakh Real Estate

Prepared for Max Rombakh · September 18, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. Today that same team runs lead generation, CRM and email for a Texas notary signing company through GoHighLevel.

WHAT WE NOTICED ABOUT MAX ROMBAKH REAL ESTATE

You are already doing real things well:

- Over \$1B in sales since 2004, stated on your homepage.
- Eastside Elevated is a real content series, and the blog carries around twenty dated posts behind it.

Where we see the fastest room to grow:

- The bottom of your blog page still shows the unedited Wix placeholder text, I am a paragraph, click here to add your own text and edit me.
- There is no newsletter or list signup anywhere on the site, so the content and the video series capture nobody.

WHAT WE WOULD DO FIRST

Clear the placeholder and put a single signup under the Eastside Elevated posts, so the audience you are already earning has somewhere to land.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
