

A note for Pete Whan & Associates

Prepared for Pete Whan · September 18, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. Today that same team runs lead generation, CRM and email for a Texas notary signing company through GoHighLevel.

WHAT WE NOTICED ABOUT PETE WHAN & ASSOCIATES

You are already doing real things well:

- 36 years in real estate and a lifetime in Pasadena, stated right on your own homepage.
- You already run a free property-update signup, so the habit of collecting people who are not ready yet is in place.

Where we see the fastest room to grow:

- The Client Events page linked from your navigation loads with nothing on it, just the header and footer.
- There is no blog or market note anywhere on the site, so 36 years of Pasadena knowledge is not published where a seller can find it.

WHAT WE WOULD DO FIRST

Fill the Client Events page with your real events, then put one short Pasadena market note behind the property-update signup you already have, so the people who register hear from you more than once.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
