

A note for San Marino Realty

Prepared for Jenny Chang · September 18, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. Today that same team runs lead generation, CRM and email for a Texas notary signing company through GoHighLevel.

WHAT WE NOTICED ABOUT SAN MARINO REALTY

You are already doing real things well:

- Over 30 years serving San Marino, with two brokers licensed since the 1980s.
- A genuinely local, referral-led practice with San Marino listings on the site.

Where we see the fastest room to grow:

- The footer reads Copyright 2013 on your contact and community pages, and Copyright 2016 on your about page, so the site reads as abandoned before anyone reads a word of it.
- There is no newsletter or listing-alert signup anywhere, only a basic contact form.

WHAT WE WOULD DO FIRST

Update the footer across the site and add one simple listing-alert signup, so three decades of San Marino trust is not undercut by a 2013 date at the bottom of the page.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
