

A note for Jese Gonzalez

Prepared for Agent · September 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. We know the El Paso market is competitive, and that is exactly where we want to help.

WHAT WE NOTICED ABOUT JESE GONZALEZ

You are already doing real things well:

- Twenty years in, recognized as a Top 250 Hispanic Realtor in the nation, with a 98.95 percent list to sale ratio and homes moving in 48 days on average.
- You already publish: a blog on your own site, an active Instagram and Facebook, and the From Lattes to Listings newsletter.

Where we see the fastest room to grow:

- There is no video content or YouTube presence, which is the one format your written work is not reaching yet.

WHAT WE WOULD DO FIRST

Turn the writing you are already doing into video. The newsletter and blog are the hard part, and you have done it, video is mostly repackaging what is already there.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
