

A note for Lainie Eilenberger

Prepared for Agent · September 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. We know the Lubbock market is competitive, and that is exactly where we want to help.

WHAT WE NOTICED ABOUT LAINIE EILENBERGER

You are already doing real things well:

- A genuinely multi platform presence for Key and Slate across Instagram, Facebook and Pinterest, backed by a personal blog carrying real market insight.

Where we see the fastest room to grow:

- No video content or YouTube channel, and no Google or Zillow ratings showing publicly, so the reputation is not visible where buyers check first.

WHAT WE WOULD DO FIRST

Get the reviews visible on Google and Zillow, then extend the blog into short video. The reputation exists, it is just not showing up where people look.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
