

# A note for Nate Tauferner

## WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. We know the Lubbock market is competitive, and that is exactly where we want to help.

## WHAT WE NOTICED ABOUT NATE TAUFERNER

You are already doing real things well:

- 198 reviews at five stars, every one of them positive, built up since 2017 across first time buyers and investors.

Where we see the fastest room to grow:

- No Instagram and no video content, so 198 happy clients are not being seen by anyone outside the review sites.

## WHAT WE WOULD DO FIRST

Put those 198 reviews to work. An Instagram presence and short video built around what clients already say about you, rather than starting a reputation from scratch.

## THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at [balaynibruno.co/real-estate-agent-marketing.html](https://balaynibruno.co/real-estate-agent-marketing.html).
