PROFILE SUMMARY

AI-powered Video Editor and Content Creator with 5+ years of experience in real estate, eCommerce, and social media. I take long-form footage and turn it into scroll-stopping short-form video for socials and YouTube Shorts: real estate property reels, agent branding videos, community videos, and faceless educational content. Skilled across CapCut, Premiere Pro, and After Effects, plus full AI video workflows (script, voice cloning, AI avatar, edit, publish) used by real estate teams and U.S. brands. Creative, fast, highly adaptable, and experienced working U.S. time zones.

WORK EXPERIENCE

Founder and Lead Strategist | Balay ni Bruno and Co. (2025 - Present)

Remote

Founded and run an operational support studio that produces content and builds AI systems for U.S. and Australian small businesses.

Produce short-form video, carousels, and graphics, and build the AI workflows that take long-form footage to finished, platform-ready posts.

Built the studio's entire operating system: a live operations dashboard with team login and automatic data sync, plus AI agents that run content, marketing, and operations.
