

A note for Amy Stockberger

Prepared for Team Owner · September 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. We know the Sioux Falls market is competitive, and that is exactly where we want to help.

WHAT WE NOTICED ABOUT AMY STOCKBERGER

You are already doing real things well:

- The number one team in South Dakota since 2017, around twenty agents holding roughly ten percent of the Sioux Falls market, and ranked 33rd nationally by RealTrends.
- You are genuinely publishing, not just listed: a blog posting as recently as September 1st, plus Facebook, LinkedIn, YouTube, Instagram and TikTok, on top of the VIP Club and the hundred plus partner Home Support Team.

Where we see the fastest room to grow:

- There is no email newsletter signup anywhere on the site, so all the traffic that blog and those five platforms bring in leaves without joining a list you actually own.

WHAT WE WOULD DO FIRST

Email capture on the site, feeding a newsletter that runs off the blog and the VIP Club you have already built. The content exists and the audience is already arriving, it is the one channel where you own the relationship instead of renting it from a platform.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
