

A note for Pam Gossick

Prepared for Pam Gossick, RE/MAX Four Corners, McKinney · September 12, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT PAM GOSSICK

You are already doing real things well:

- Licensed since 1997, and eighteen years in homebuilding before that. Almost nobody in McKinney can say they understand a house from the build side and the sale side both, and that is worth more to a nervous buyer than any marketing line.
- A native Dallasite with a referral reputation strong enough that people pass your name along by word of mouth. That is the hardest kind of trust to earn and the easiest to under-use.

Where we see the fastest room to grow:

- The site is a brochure. No blog, no market updates, nothing dated. The footer still reads 2022. So twenty-five years of knowing this market produces nothing that a person searching for a McKinney agent could ever find.
- There is no email capture at all, only a contact form. A contact form catches the person who has already decided. It does nothing for the far larger group who are still looking.

WHAT WE WOULD DO FIRST

Put your experience somewhere it can be found. A handful of real pages answering what McKinney buyers and sellers actually search, written from the building side as much as the selling side, with a simple signup underneath. You have the rarest input already. It is just not written down anywhere.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
