

A note for The Golden Group

Prepared for Brian Quarnstrom and Debbie Johnson, The Golden Group Real Estate Advisors, Golden · September 16, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT THE GOLDEN GROUP

You are already doing real things well:

- Two local, experienced advisors marketing a home for the price of one, with a team behind you in Golden.
- Your blog had exactly the right instinct: A Guide to Rock Climbing in Golden, Get the Dirt on Mountain Biking in Golden, a profile of Paraglide Tandem. That is the life buyers are moving to Golden for.

Where we see the fastest room to grow:

- The newest post, A Guide to Rock Climbing in Golden, is dated March 4, 2021. Nothing has been added in more than five years.
- There is no email signup on the site, so people who find those Golden guides have no way to keep hearing from you before they are ready to buy.

WHAT WE WOULD DO FIRST

Pick the Golden lifestyle guides back up, one a month, and add a simple signup so readers get the next one along with a short market note. You already found the voice. It just needs to keep going.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
