

A note for C. Devon Holden

Prepared for C. Devon Holden, C. Devon's Homes, Wellesley Hills · September 16, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT C. DEVON HOLDEN

You are already doing real things well:

- A full service boutique on Washington Street in Wellesley Hills, established in 2014 and re-established in 2018, covering condominium and home sales, apartment rentals, and a property management side that has grown past 20 properties.
- A personal angle buyers trust: you have moved from city to suburb yourself, and you pride yourselves on relocations and downsizing.

Where we see the fastest room to grow:

- You built a real monthly habit. The newsletter archive runs every month from March through December 2024, from Getting Ready for Spring to A Glittering Holiday Season, and then it stops. Nothing has gone out in 2025 or 2026.
- The footer still reads 2024, which quietly matches the newsletter and tells a visitor the site has not been touched since.

WHAT WE WOULD DO FIRST

Restart the newsletter you already proved you can run, with a little more Wellesley and Metro Boston market detail in each issue, and bring the site footer current. The subscribers and the format are already there.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
