

A note for Janice Cruz

Prepared for Janice Cruz, Coldwell Banker Pacesetter Steel, Portland · September 14, 2026

WHO WE ARE

We are a small operational support studio. Real estate is not new to us, we built the website, content, and AI systems behind Real Cavalry, a San Antonio brokerage, ran a two-year marketing partnership with a Texas real estate investment firm, and built the email and CRM systems behind a real estate closing company. That is the same work we would bring here: the content, the follow-up, and the systems that keep a pipeline warm between closings.

WHAT WE NOTICED ABOUT JANICE CRUZ

You are already doing real things well:

- The track record is real and it is on your page for anyone to see: 389 homes sold, 47 active listings, and more than fifteen years in the business, across Portland, Corpus Christi and the surrounding towns.
- You come from a military family and you say plainly that relocation is something you make smooth. In a market next to a naval air station that is not a side note, it is a specialism.

Where we see the fastest room to grow:

- Your testimonials stop in an unusual place. There is one from 1 September 2026, and then the next one back is from November 2022. Nearly four years of sold homes with almost no new reviews collected, which is the single cheapest trust signal an agent can have.
- Your personal site has no email capture and no blog, so a military family researching a PCS move to the Coastal Bend months ahead finds nothing of yours to read and no way to hear from you.

WHAT WE WOULD DO FIRST

Start with the reviews, because it is the fastest win: a simple follow-up after every closing that asks for one, sent automatically so it never depends on remembering. Then a short relocation guide for military families moving to Portland and Corpus Christi, with a signup behind it.

THE SIMPLEST NEXT STEP

A short call, no pitch deck required, just to see if this is a fit. You can also see exactly how we work, and the real estate systems we have already built, at balaynibruno.co/real-estate-agent-marketing.html.
